i. Organized crime, drug trafficking and terrorism**j Other Autres activités réalisées: Marquage des armes des différentes Forces en charge de la Défense et de la Sécurité; Appui au démarrage du processus de marquage des armes dans 5 pays de la CEDAO; Mise en place de bases de données de gestion des armes marquées de la Police et de la Gendarmerie; Démarrage****Any further comments on PoA and ITI, including implementation challenges and opportunities?td>**

Les leçons apprises : □ L'implication des autorités locales, des leaders communautaires et de la société civile a facilité la mobilisation et la sensibilisation des populations cibles ; □ La synergie avec les agences du système des Nations Unies a favorisé une appropriation par la partie nationale, des standards et outils internationaux ; □ L'implication des différentes des Forces dans la planification des activités a été un atout majeur dans leur mise en œuvre ; □ La cohésion sociale est un facteur déterminant pour le succès du désarmement communautaire ; □ Le démarrage des Microprojets de réponse et d'incitation aux collectes volontaires a permis d'accélérer les actions de collecte. Malgré les avancées, la Côte d'Ivoire doit faire face à certains défis. Il s'agit notamment de la mise en œuvre du TCA, de la collecte des données sur les armes saisies , de la Gouvernance locale de sécurité, du renforcement de la législation sur les armes , de la destruction des armes et munitions, du contrôle de la production artisanale et du renforcement de la coopération transfrontière.
